## ERRATA

---

The Penal Code (Amendment) Law, 2004, originally published in Gazette No. 17 dated Monday, 23<sup>rd</sup> August 2004, is being republished in this issue. Please discard and replace that law with the copy published in this issue.

Its republication is to facilitate the issue of the Penal Code (Amendment) Law, 1998, which is being carried for the first time with this issue. The publication of the 1998 Amendment Law was inadvertently overlooked prior to the earlier issue of the 2004 Amendment Law.
