THE CUSTOMS (AMENDMENT) BILL, 2010

MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to effect amendments to the Customs Law (2007 Revision) relating to the approval of bonded warehouses and calculation of value.

Clause 1 of the Bill contains the short title.

Clause 2 empowers the Financial Secretary to vary the terms of approval of a bonded warehouse but only for the purpose of making minor changes (for example, the name of the bonded warehouse or its location).

Clause 3 deletes from section 43 of the principal Law the reference to “carriage” in relation to calculation of insurance cost and substitutes a reference to “cost”.

Clause 4 corrects a clerical error. The clause also enables the Governor in Cabinet to make regulations providing for processing fees in respect of an application for the approval of a place of security as a bonded warehouse or an application for the variation of any such approval.
