THE FILM EXHIBITION CONTROL BILL, 2015

MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to provide for the regulation of the public exhibition of films with a view to protecting children from exposure to harmful film content.

PART 1 - PRELIMINARY

Part 1 comprises clauses 1 to 4.

Clause 1 provides the short title and commencement of the legislation.

Clause 2 defines the various terms used for the purposes of the legislation including “film”, “premises”, “public exhibition”, “premises licence” and “rating certificate”.

Clause 3 identifies the objectives of the legislation. These include the protection of children from exposure to harmful film content, establishing a film rating system and identifying standards to be met with respect to premises to be used for public film exhibitions.

Clause 4 provides that the legislation will not apply to film exhibitions which are conducted on private premises or directed by any department of Government.

PART 2 – FILM CONTROL BOARD AND PUBLIC FILM EXHIBITION RATING CERTIFICATE

Part 2 comprises clauses 5 to 20 and deals with the establishment of a Film Control Board and the processes related to the application for a public film rating certificate.

Clause 5 provides for the establishment and constitution of the Board. It is proposed that the Board will be comprised of three members appointed by the Cabinet including a person who has professional experience or qualifications in film production, censorship systems, cinematography, drama, law, literature, social sciences, media, education or performing arts.

Clause 6 provides for the functions of the Board. These include -

- (a) the issue of rating certificates;
- (b) regulating the public exhibition films;
- (c) advising the Department on matters concerning the issue of a premises licence;
- (d) monitoring and facilitating the enforcement of activities to curb the exhibition of unsuitable films.

Clause 7 provides for the application process to be followed when seeking to obtain a rating certificate from the Board. This process includes the payment of a specified fee, an indication as to the name and type of film to be exhibited and, if any, the rating ascribed to the film by a board internationally recognised film censors.

Clause 8 permits the Board, after examining and considering an application for a rating certificate, to ascribe to a film a specified rating and to issue the corresponding rating certificate to the applicant.

Clause 9 provides for the factors that the Board may take into consideration in ascribing a rating to a film. These include-

- (a) the rating or classification ascribed to the film by a board of internationally recognised film censors;
- (b) the standards of morality, decency and propriety generally accepted by the community;
- (c) whether the content is seditious, obscene, blasphemous or otherwise a breach of any laws of the Islands;
- (d) the use of discriminatory, offensive, obscene or vulgar language;
- (e) the exhibition of violent and graphic conduct;
- (f) the references to illegal drugs or drug misuse;
- (g) the portrayal of dangerous or antisocial behavior;
- (h) the scenes of nudity, display of sexual activity, obscene displays and other forms of pornography;
- (i) content displaying horror, blood and gore;
- (j) the persons or class of persons to or amongst whom the film will be exhibited;
- (k) the literary, artistic or educational merit of the film;
- (l) the medical, legal or scientific benefit of the film; and
- (m) whether the film is in the public interest.

Clause 10 provides that a film which has not been rated by the Board shall be regarded as unsuitable for viewing by a child.

Clause 11 provides that a person who owns or controls a film which has been ascribed a rating or classification by a board of internationally recognised film censors -

- (a) is not required to apply for a rating certificate prior to the public exhibition of the film; and
- (b) is not precluded from exhibiting the film to a child if the rating ascribed permits such exhibition.

Clause 12 provides that a person who intends to publicly exhibit any film shall, at least twenty-four hours before its exhibition, provide the Department with all the particulars identified in Schedule 4.

Clause 13 provides that a rating certificate shall be valid for all formats of the film and be of indefinite duration.

Clause 14 requires a person who is issued a rating certificate or any distributor or exhibitor or any other person to whom the rights in the film have passed, to ensure that for the duration of its public exhibition, the details of the rating ascribed to the film are visibly displayed with the film and any advertisement associated with the film.

Clause 15 provides that in order to obtain a change in rating ascribed to a film a new application for a rating certificate is required.

Clause 16 sets out the appellate procedure to be followed by a person dissatisfied with a decision of the Board. This entails appealing to the Appeals Tribunal, by notice in writing, within twenty-one days of the communication of the Board's decision.

Clause 17 provides the circumstances under which the Collector of Customs may refund the duties paid by an importer of a film.

Clause 18 empowers the Board to suspend or revoke a rating certificate if it is satisfied, for instance, that a film is being exhibited in a form other than the one approved or the certificate has been obtained by fraud or misrepresentation as to an essential fact. It further penalizes a person who continues to act in contravention of a suspension, revocation or notification of a breach of the legislation

Clause 19 provides for the imposition of a penalty of two thousand dollars for -
