Applications for work permits

- 4. (1) Subject to subregulation (2), an employer or prospective employer shall use his best endeavours to ascertain whether or not there is a Caymanian, or a person legally and ordinarily resident in the Islands, ready, willing and able to undertake the job in question before making an application for the grant or renewal of a work permit in respect of a worker or prospective worker whose gainful occupation in the job is sought to be authorised by the work permit.
 - (2) The Work Permit Board, the Business Staffing Plan Board, the Cayman Brac and Little Cayman Immigration Board and the Chief Immigration Officer may, on the application of an employer or prospective employer, each in its or his discretion, waive any provision in relation to advertising, but in order to benefit from such waiver the employer or prospective employer must have applied for and received it prior to the submission of his application for the work permit in respect of which the waiver was sought.
 - (3) For the purpose of fulfilling the requirement of subregulation (1), the employer or prospective employer shall comply with section 44(2)(b).
 - (4) Subject to subregulation (2), an application for the grant or renewal of a work permit shall be accompanied by
 - (a) a copy of each advertisement published in accordance with subregulation (3), with details of the newspaper in which it was published and such advertisement shall contain information relating to the salary range and all other benefits attaching to the advertised post and the date on which it was published;
 - (b) a full and accurate description of the job to be filled;
 - (c) a full and accurate description of the qualifications the employer or prospective employer considers necessary for carrying out the job and the reasons for requiring those qualifications;
 - (d) details of any responses received in respect of the advertisements including the qualifications of those who responded; and
 - (e) details of the employer's or prospective employer's reasons for not employing any Caymanian, or person legally resident in the Islands, who responded to the advertisement.
 - (5) Where a Caymanian has applied for a position, the Board shall, for the purpose of being satisfied of the matters specified in subregulation (1), take into account the following information supplied by the applicant for the grant of the work permit

- (6) A person who, in purported compliance with subregulation (3), lodges details that are incomplete, false or misleading commits an offence and is liable on conviction to a fine of five thousand dollars.
- (7) No consideration shall be given to an application for a work permit or the renewal of a work permit unless and until the requirements of subregulations(3) and (4) have been complied with unless a waiver has been obtained under subregulation (2).
- (8) For the purposes of this regulation a work permit application includes a temporary work permit application where the worker who is the subject of the application is or was employed on a Term Limit Exemption Permit.

Endorsement on work permit

5. Each work permit shall have an endorsement or be accompanied by a notice to the work permit holder in the following terms —

"You are hereby informed that, under the existing Laws and regulations, the granting of this work permit in no way confers any entitlement to, or preference in connection with, the granting of any application for the renewal hereof or of any application for the right to be Caymanian. Applications for the renewal of a work permit, applications for the grant of permanent residence and applications for the right to be Caymanian are all considered on their own merits and in the light of circumstances existing at the relevant time."

- **6.** (1) The Board or the Chief Immigration Officer may require an applicant for the grant or renewal of a work permit to provide details of any programme that he has that is designed to ensure that Caymanians are provided with the instructions and practical experience necessary to make them fully qualified to carry out the job concerned satisfactorily and as expeditiously as possible.
 - (2) The absence of such a programme or the failure to implement such a programme without reasonable cause constitutes a ground for denying the grant or renewal of a work permit.
 - (3) Where the Director of the National Workforce Development Agency is satisfied that there are insufficient Caymanians, or persons legally and ordinarily resident in the Islands, to meet an expected demand for persons to fill jobs in any profession, trade or industry or in relation to a particular project

or enterprise, it may, in consultation with the Board or the Chief Immigration Officer, establish arrangements with authorities outside the Islands for the selection there of persons ready, willing and able to fill those jobs for the purpose of recommending their recruitment to prospective employers within the Islands.

Information from the courts, etc.

8. The Chief Immigration Officer shall, at least once every month, obtain from the courts a list of all convictions, divorces, and relative particulars relating thereto, and monthly reports from the Police and the Registrar of Births, in order for the Chief Immigration Officer to ascertain whether or not any person should be allowed to remain in the Islands.

- Total investment is defined as the summation of the following-
