Public Health Law
(2002 Revision)**CONTROL OF COVID-19 (AMENDMENT)
REGULATIONS, 2020**
(SL 26 of 2020)

In exercise of the powers conferred by section 34 of the Public Health Law (2002 Revision) the Cabinet makes the following Regulations —

Citation

1. These Regulations may be cited as the Control of Covid-19 (Amendment) Regulations, 2020.

Amendment of regulation 2 of the Control of Covid-19 Regulations, 2020 - definitions

2. The *Control of Covid-19 Regulations, 2020* are amended in regulation 2 by inserting after the definition for “Caymanian”, the following definition —
“ “**customs and border control officer**” means a public officer appointed under section 6 of the *Customs and Border Control Law, 2018* and includes any police officer or other person assisting the Customs and Border Control Service in any assigned matter;”.

Repeal and substitution of regulation 4 of the Control of Covid-19 Regulations, 2020 - persons in the Islands who have travelled to, from or through an infected country within a period of fourteen days or less

3. The *Control of Covid-19 Regulations, 2020* are amended by repealing regulation 4 and by substituting the following regulation —

“Restrictions on arrival of all persons to the Islands to control the spread of Covid-19

4. (1) Subject to paragraph (3) and notwithstanding any other Law, where a person arrives in the Islands on or after the date of commencement of these amending Regulations that person shall, for the purposes of these Regulations, be required by a customs and border control officer, in respect of the person or the person’s dependants —
- (a) to complete a medical and travel questionnaire in such form as is provided by the Medical Officer of Health; and
 - (b) to undergo a medical examination if the customs and border control officer considers that a medical examination is necessary.
- (2) Subject to paragraph (3), where a person arrives in the Islands on or after the date of commencement of these amending Regulations, if —
- (a) the person is a Caymanian or resident of the Islands, the person shall, for a period of fourteen days from the date of arrival, for the purposes of surveillance by the Medical Officer of Health, remain at the person’s home or such other place of isolation as specified by the Medical Officer of Health and shall be subject to such conditions as are provided by the Medical Officer of Health;
 - (b) the person is a tourist visitor, the person shall, for a period of fourteen days from the date of arrival, for the purposes of surveillance by the Medical Officer of Health, be managed by the Medical Officer of Health at a facility specified by the Medical Officer of Health; and
 - (c) the person shows respiratory symptoms or symptoms of the virus, the person shall be managed at a facility specified by the Medical Officer of Health for a period of fourteen days, or until the Medical Officer of Health determines that the person is fully recovered, whichever is later.
- (3) Paragraphs (1) and (2) do not apply to the crew of any ship or aircraft but a crew member of a ship or aircraft which arrives in the Islands after the date of commencement of these Regulations shall self-

isolate after such arrival until the crew member is due to leave the Islands.

- (4) A person who contravenes this regulation commits an offence and is liable on conviction to a fine of one thousand dollars and to imprisonment for six months.”.

Made in Cabinet the 24th day of March, 2020.
